Dear Mr. Director,

The enclosed Omni-Pouch Presentation Folder is a unique and powerful image building tool.

Please inspect it.

Visualize your printed message on it.

Compare it's features to those of your current presentation folder.

This is one of the most impressive containers for distributing information to constituents or the press.

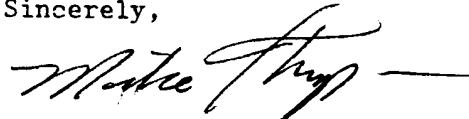

The Omni-Pouch Presentation Folder can be that little extra help you need in raising confidence or selling an idea.

Please call or write if you have any questions.

Additional samples are available on request.

Thank you for your time.

Sincerely,

Mike Thompson
